Living Your Dream: 5 Steps to Launching Your Own Business or Nonprofit

Speaker: Dr. D'Lorah Butts-Lucas
 Consultant - Attorney - Minister

DBLEnterprise

Dr. D'Lorah Butts-Lucas received her Juris Doctor degree from Florida State University College of Law, Master's degree in Practical Theology from Regent University, and Bachelor of Science degree from Vanderbilt University in Human & Organizational Development. She has provided corporate counsel for churches and non-profits in 25 states.

In this dynamic presentation, attendees will learn about the importance of developing vision and mission statements, be exposed to the various types of business entities and the elements of a business plan, and be encouraged to consider the non-financial costs associated with starting their own business.
